## Kevin Muldoon Becomes Spider District Sales Representative

SEATTLE—Spider, a division of SafeWorks, LLC recently promoted Spider Operations Manager Kevin Muldoon to the position of District Sales Representative in its Cleveland, Ohio location.

In his new role, Muldoon is responsible for solving the suspended access and safety challenges of contractors and facility owners in Ohio, western Pennsylvania, New York and West Virginia and eastern Kentucky.

Muldoon began his Spider career as Operations Manager for the Cleveland Branch in 2005. Prior to joining Spider's team Muldoon was a private business owner with extensive experience in the construction industry. Drawing from a background in both sales and project management, Muldoon has focused on customer satisfaction throughout his career.

"Spider is passionate about delivering the reliable experience contractors expect from a market leader," said John Sotiroff, Vice President, Sales and Distribution. "Kevin's solid record of growing business with best in class companies shows his commitment to relate to customers' needs and to delight them. We look forward to seeing his further contributions to our strong growth in the Cleveland area market."

### About Spider:

Founded in 1947, Spider, a division of SafeWorks, created the powered suspended access business by introducing the well-known Spider basket. Since then, our product and service offering has expanded greatly to serve the needs of an ever-growing marketplace. Spider is the largest manufacturer and distributor of access and safety solutions in North America, serving more customers from more locations with a wider variety of products and services than any other company. From baskets, traction hoist and platform rental, to safety and training, to specialty-engineered products - Spider has a strong team of professionals, along with a national network of sales, service and support capabilities to provide you with the most reliable access solutions available.
