## Spider Opens New Operation Center in Louisville

Seattle – Spider, a division of SafeWorks, LLC, has opened its twenty-fifth operation center in the Americas.

Located in New Albany, Indiana, Spider's newest operation center will provide contractors and facility owners throughout Louisville, Indianapolis, Cincinnati, and their surrounding areas with a full range of suspended access solutions for rent or sale, including market-leading traction hoists, work baskets, swing stages, and material hoists, as well as fall protection, rigging services, and Competent Person Training.

"For nearly seventy years, Spider's footprint has spanned the Americas, and yet we continually invest in ways to bridge geographical gaps to make our trusted, reliable solutions conveniently available regardless of the customer's location," commented David Beckett, Vice President and General Manager – Spider Operations. "We now have an ambitious, experienced team focused on delivering these solutions with premium support to the Louisville, Indianapolis, and Cincinnati areas, directly from the heart of this region."

Spider's Louisville team can be reached at 877-774-3370 or 812-944-5140 or via email at [louisville@spiderstaging.com](mailto:louisville@spiderstaging.com). The new operation center is located at 4341 Security Parkway, Suite 103, New Albany, IN 47150.

### About Spider:

Founded in 1947, Spider, a division of SafeWorks, created the powered suspended access business by introducing the well-known Spider basket. Since then, our product and service offering has expanded greatly to serve the needs of an ever-growing marketplace. Spider is the largest manufacturer and distributor of access and safety solutions in North America, serving more customers from more locations with a wider variety of products and services than any other company. From baskets, traction hoist and platform rental, to safety and training, to specialty-engineered products - Spider has a strong team of professionals, along with a national network of sales, service and support capabilities to provide you with the most reliable access solutions available.
